

# Crayola You've Been Booed Instructions

Share the fun of our You've Been Booed craft with 2 more boo-buddies! To keep the fun going:

Place the "You've Been Booed" sign on your front door or window so you don't get booed again!

Go to [Crayola.com/crafts](http://Crayola.com/crafts) within the next 2 days and print a copy of these instructions. Place them in an envelope labeled "Open after revealing message in first envelope."

Write a "You've Been Booed" message in white crayon on a piece of cardstock. Place in an envelope labeled "Paint enclosed card with Crayola Watercolors to reveal a secret message!"

Place both envelopes, Crayola Crayons, Crayola Watercolors, and any other special treats you'd like to share in a festive basket or container.

Repeat steps 2-4 for a second collection of treats.

Deliver your "scare package" to the houses of 2 other friends/neighbors who haven't been booed yet. Don't let them see you! Guessing who booed who is part of the fun!

Enjoy your tricky treats!
